

Scooter

Key Features

The Foremost Scooter Program offers superior coverage, and more value, than many other policies on the market today. It has many extra features such as coverage for helmets, safety apparel and transport trailers.

The Foremost policy is an annual policy, so customers can enjoy their scooters at any time of the year. Our rates take into account the fact that most riding takes place during the warmer weather, while providing the flexibility most riders want. No off-season coverage problems. No mid-year cancellations. No extra paperwork. It all adds up to more convenience.

Foremost offers full coverage including coverage for physical damage on scooters from many foreign and domestic scooter manufacturers.*

Coverage Highlights

A Foremost policy provides important standard and optional coverages that are designed for scooters, including many extra features. Here are some examples of these outstanding coverages.

- **Collision coverage** protects the scooter in the event of damage caused by collision with other vehicles, trees or utility poles, regardless of fault.
- **\$1,500 of coverage** for Helmets and Safety Apparel protects valuable safety gear, such as goggles, boots and helmets at no additional charge when Collision Coverage is purchased (does not cover theft).
- **Other Than Collision coverage** provides coverage for other kinds of damage to the scooter such as fire, theft, flood and vandalism.
- **Liability coverage** for third-party injury and property damage claims which result from an accident involving the covered scooter.
- **If Medical Payments** is purchased, Foremost includes an additional \$500 of coverage at no additional cost for riders wearing D.O.T. approved helmets.
- **\$3,500 Optional Equipment coverage** included at no additional cost when Other Than Collision coverage is purchased.
- **Replacement Cost Total Loss Settlement** provides replacement cost coverage for up to two years on scooters purchased new from an authorized dealer and insured with Foremost within 30 days (maximum MSRP of \$35,000).
- **Towing and Roadside Assistance** 24 hours a day, 365 days a year. Help is just a toll-free call away from anywhere in the U.S. or Canada.

*For scooter models that do not appear in the NADA or Kelly Blue Book Appraisal guides, Foremost may require proof of title or certificate of origin in order to quote or book the policy. Visit Foremost.com for more information on Foremost's Scooter Program.
