

Identity Theft Coverage

Protect your most valuable asset

What is identity Theft?

It's America's fastest growing crime, victimizing millions of Americans each year. There are steps you can take to protect yourself, but the truth is identity theft can strike anyone, even you. Your identity is one of your most important assets. Protect your family, finances and future with Integrity's identity Theft Coverage.

What to Do if You Become a Victim

Integrity Identity Theft Services give you immediate peace of mind by providing comprehensive identity theft education, proactive services and one-on-one expert victim assistance to regain your credit and restore your identity. If you are victimized, you will be given access to the Integrity 24-Hour Loss Reporting Center. Call (800) 445-3030.

Integrity Identity Theft Services will:

- Provide a personal advocate who will work with you to restore your identity
- Systematically notify credit bureaus, creditors, government agencies and others, including credit collectors
- Prepare documents and make phone calls needed to restore your identity
- Create a comprehensive case file of your claim to help law enforcement
- Provide a credit report and make follow-up calls
